

Office 365

Optimize costs and increase business productivity

⚠️ Challenge:

- Optimize IT costs
- Enable collaboration inside and outside of company
- Support secure and flexible work environment (from anywhere, any device)

👍 Solution:

- Well-known Office applications offline and online as well
- Includes Online meeting, E-mailing, File sharing and **Teamwork** solutions
- **Secure and compliant** work from anywhere
- **Subscription fee**, flexibility to change user numbers

Benefits:

- Familiar Office apps + many more solutions
- Data and threat protection
- Compliance solutions
- Anywhere access from any device offline and online
- Optimized IT costs

Scenarios

- No budget available for upfront cost of Office upgrade
- Ineffective colleagues on-the-go
- Better collaboration needed between business locations
- Need of non-permanent licenses for project-based colleagues
- Secure and compliant solution is needed

Solution capabilities

- Secure collaboration, e-mailing and file sharing
- Enterprise grade e-mail solution
- Available for all platforms: Windows, IOS (Mac), Android or through a web browser
- Always up-to-date, free upgrades
