

Autodesk® AutoCAD LT® 2018

Product descriptions: Persistent/Evergreen

100 words

Create precise 2D drawings faster with the easy-to-use drafting tools in Autodesk® AutoCAD LT® software. Share your work with confidence using TrustedDWG™ technology, the original and most accurate way to store and exchange design data. Simplified 2D drafting and documentation tools help you produce detailed technical drawings that you can easily edit and repurpose. Collaborate with colleagues using connected desktop, cloud, and mobile Autodesk® AutoCAD® solutions. AutoCAD LT software – engineered for the future.

Autodesk® AutoCAD LT® 2018

Product descriptions: Release-Specific

100 words

Speed your documentation work using Autodesk® AutoCAD LT® 2018 software. Save time and minimize frustration with simple tools to fix broken paths for externally referenced files. Use the SHX text recognition tool to quickly convert imported PDF geometry to text objects. See significant improvements in 2D display and performance in both high resolution monitors and low-end devices. Additionally, you can take the power of AutoCAD LT with you wherever you go with an easy-to-use mobile app.
